

VEEON CNG PRIME PLUS 20W50 API SM

Automotive Oils—Performance Petrol Engine Oil

Technical Data Sheet

SAE VEEON CNG PRIME PLUS 20W50 API SM

SAE VEEON CNG PRIME PLUS 20W50 API SM is multi grade engine oil blended from refined base stock and fortified with special additive package. 20W-50 has high level of detergency which keeps the engine clean and the product provides better engine protection under various operating conditions.

Properties

- Multi grade oil that keeps the engine clean.
- Its high viscosity helps to seal the engine and prevent leaks.
- Its formulation minimizes the formation deposits. Great anti-wear properties that protect even the most sensitive parts of the engine.

Features & Benefits:

SAE VEEON CNG PRIME PLUS 20W50 API SM provides the following benefits:

- Facilitate engine start-up during cold weather
- Good thermal stability
- Gives better mileage
- Provides increased protection during tough driving conditions such as cold starts, stop-and-go

SAE VEEON CNG PRIME PLUS 20W50 API SM Meets the requirements of the following specification:

- API:SM/SN
- API SL
- API SJ/CD SL/CF
- JASO MA2/MB(T903:2016)
- JASO MB2

Applications / Recommendations:

SAE VEEON CNG PRIME PLUS 20W50 API SM is suitable for new generation vehicles running on petrol.

Products Specification

Properties	SAE VEEON CNG PRIME PLUS 20W50 API SM
Appearance	Clear Fluid
Colour (Gardner)	3.50 Max
Flash Point (COC)	210°C (Minimum)
K. Viscosity @ 100 °C	17.50 – 20.50 cSt
Viscosity Index (Min)	130 (Min)
Total Base Number	6.00 – 7.50

VEEON 900V – 4T 20W40 API SM

Automotive Oils—High Performance Four-Stroke Motorcycle Engine Oil

Technical Data Sheet

VEEON 900V 4T 20W40 API SM

VEEON 900V 4T 20W40 API SM High Performance Four-Stroke Motorcycle Engine Oil is a Semi synthetic technology motor oil that provides long engine life and protection against sludge & wear. VEEON 900V 4T 20W40 API SM is an advanced four stroke motorcycle engine oil. It helps to provide an outstanding level of performance in today's high-performance motorcycles. It will help to keep 4stroke engines running clean protecting in extreme conditions.

Features & Benefits:

VEEON 900V 4T 20W40 API SM provides the following benefits:

- Optimized frictional properties which leads to provide balance engine performance & fuel economy
- Exceptional wear protection leads to extend the engine life
- Outstanding low temperature properties Excellent engine cleanliness & protection
- Effective protection from rust and corrosion which leads to provide Long life of critical valve train.

VEEON 900V 4T 20W-40 API SM Meets the requirements of the following specification:

- API:SM/SN
- API SL
- API SJ/CD SL/CF
- JASO MA2/MB(T903:2016)
- JASO MB2

Applications / Recommendations:

VEEON 900V 4T 20W40 API SM oils are designed especially for latest technology.

Products Specification

Properties	VEEON 900V 4T 20W40 API SM
Appearance	Clear Fluid
Colour (Gardner)	3.00 Max
Flash Point (COC)	210°C (Minimum)
K. Viscosity @ 100 °C	13.50 – 14.50 cSt
Viscosity Index (Min)	130 (Min)
Pour Point °c	-21°c Max
Total Base Number	5.8 – 7.50

VEEON 930V – 4T10W30 API SM

Automotive Oils—High Performance Four-Stroke Motorcycle Engine Oil

Technical Data Sheet

VEEON 930V 4T10W30 API SM

VEEON 930V 4T10W30 API SM High Performance Four-Stroke Motorcycle Engine Oil that provides long engine life and protection against sludge & wear. VEEON 930V 4T10W30 API SM is an advanced four stroke motorcycle engine oil. It helps to provide an outstanding level of performance in today's high-performance motorcycles. It will help to keep 4stroke engines running clean protecting in extreme conditions.

Features & Benefits:

VEEON 930V 4T10W30 API SL provides the following benefits:

- Helps reduce engine wear and corrosion
- Helps keep engine clean
- Multi-grade motor oil allowing easier starts at low temperatures
- Good high temperature properties
- Effective protection from rust and corrosion which leads to provide Long life of critical valve train.

VEEON 930V 4T 10W-30 API SM Meets the requirements of the following specification:

- API:SM/SN
- API SL
- API SJ/CD SL/CF
- JASO MA2/MB(T903:2016)
- JASO MB2

Applications / Recommendations:

VEEON 930V 4T10W30 API SM is oils are designed especially for latest technology Gasoline.

Products Specification

Properties	VEEON 930V 4T 10W30 API SM
Appearance	Clear Fluid
Colour (Gardner)	3.50 Max
Flash Point (COC)	210°C (Minimum)
K. Viscosity @ 100 °C	8.50 – 11.50 cSt
Viscosity Index (Min)	110 (Min)
Pour Point °c	-18°C Max
Total Base Number	5.80 – 7.50

VEEON -999V 4T BULLET 15W50 API SN Semi Synthetic

Automotive Oils – Performance Motor Cycle Engine Oil

Technical Data Sheet

SAE VEEON 999V 4T BULLET 15W50 API SN

SAE VEEON 999V 4T BULLET 15W50 API SN Semi Synthetic Lubricant with the exclusive E3 Technology formulation, designed to offer the best protection for the engine without compromising on high efficiency. Oil for engines that require greater protection against wear and high temperatures, such as vehicles with high mileage as fuel. Also suitable for petrol light vehicles without exhaust a Ger treatment system.

Features & Benefits:

SAE VEEON 999V 4T BULLET 15W50 API SN Semi Synthetic provides the following benefits:

- Complies with the stringent API SN quality requirements for modern engines that require greater protection against high temperatures
- Its high viscosity helps to seal and reduces leaks, thus minimizing oil consumption and maintaining the right pressure at any temperature and in all working conditions
- Thanks to its anti-wear additives, it boosts the protection of the most sensitive parts of the engine.
- 3ETechnology (Excellent Engine Efficiency): Technology that offers excellent protection of the engine against the formation of deposits at high temperature, greater control of sludge and compatibility with gaskets. This helps to keep the engine cleaner and to last longer.
- Effective protection from rust and corrosion which leads to provide Long life of critical valve train and bearing components

SAE VEEON 999V 4T BULLET 15W50 API SN Semi Synthetic Meets the requirements of the following specification:

- API:SN
- API SM/SL
- API SJ/CD SL/CF
- JASO MA2/MB(T903:2016)
- JASO MB2

Applications / Recommendations:

SAE VEEON 999V 4T BULLET 15W50 API SN Semi Synthetic is a high quality multi grade engine oils are designed especially for latest technology motor cycle engines.

Products Specification

Properties	SAE VEEON 999V 4T BULLET 15W50 API SN Semi Synthetic
Appearance	Clear Fluid
Colour (Gardner)	2.50 Max
Flash Point (COC)	220°C (Minimum)
K. Viscosity @ 100 °C	17.50 – 20.50 cSt
Viscosity Index (Min)	140 (Min)
Pour Point °c	-21°c Max
Total Base Number	6.50 – 8.50

VEEON SUPER LIGHT DUTY – 15W40 API CH4

Automotive Oils—High Performance Diesel Engine Oil

Technical Data Sheet

SAE VEEON SUPER LIGHT DUTY 15W40 API CH4

SAE VEEON SUPER LIGHT DUTY 15W40 API CH4 High Performance Multi-grade Diesel Engine Oils are high quality long drain lubricating oils, which allow for use in a mixed Fleet. Specially developed for use in all types of for high output normally- aspirated and supercharged diesel engines operating under very severe duty or which are subject to deposit formation or excessive wear. These oils are formulated from selected high Viscosity Index and Low Pour Point. These oils are treated with a large percentage of additives to impart superior detergent together with high dispersal, anti-oxidant, anti corrosion, anti-wear and anti-foam properties.

Features & Benefits:

SAE VEEON SUPER LIGHT DUTY 15W40 API CH4 provides the following benefits:

- Controls sludge build-up and deposits
- Outstanding engine cleanliness even under most severe operating conditions.
- Reduced oil consumption and wear protection
- Cleaner engines and longer engine life
- Lower fuel and engine oil consumption

SAE VEEON SUPER LIGHT DUTY 15W40 API CH4 Meets the requirements of the following specification:

- API CH4 / CI4
- ACEA E7-12/MB 228.3/MAN 3275/VOLVO VDS-3
- Deutz III/MTU2.0/Mack EO-M+
- CES 20077/CES 20078
- Caterpillar ECF-1a/Caterpillar ECF-2
- Renault RLD-2/JASO DH-1
- Global DHD-1/DDC93K215

Applications / Recommendations:

SAE VEEON SUPER LIGHT DUTY 15W40 API CH4 is a high quality multi grade engine oils are designed especially for latest technology.

Products Specification

Properties	VEEON SUPER LIGHT DUTY 15W40 API CH4
Appearance	Clear Fluid
Colour (Gardner)	3.50 (Max)
Flash Point (COC)	210°C(Min)
K.Viscosity @100°C	13.50 – 15.50 cSt
Viscosity Index	115 (Min)
Pour Point	-21°C (Max)
Total Base Number	9.50 (Min)

VEEON SUPER PLUS–5W30 API SN

Semi Synthetic

Automotive Oils –Performance Petrol & Diesel Engine Oil

Technical Data Sheet

SAE VEEON SUPER PLUS 5W30 API SN Semi Synthetic

SAE 5W30 API SN Semi Synthetic are high performance, multi grade engine oil based on synthetic base oil and fortified with special additive package to provide long oil life and better engine protection. SAE 5W40 API SN meets the latest industry standards.

Features & Benefits:

- SAE 5W30 API SN Semi Synthetic provides the following benefits:
- Excellent engine cleanliness & protection
- Extended engine life and reduced maintenance
- Reduced fuel consumption
- Provides increased protection during tough driving conditions such as cold starts, stop-and-go traffic, hauling and towing Applications

SAE 5W30 API SN Semi Synthetic Meets the requirements of the following specification:

- ILSACGF-5
- API SN

Applications / Recommendations:

SAE 5W30 API SN Semi Synthetic is a high quality multi grade engine oils are designed especially for latest technology Gasoline and Diesel engines

Products Specification

Properties	SAE 5W30 API SN Semi Synthetic
Appearance	Clear Fluid
Colour (Gardner)	3.50 Max
Flash Point (COC)	220°C (Minimum)
K. Viscosity @ 100 °C	9.50 – 11.50 cSt
Viscosity Index (Min)	140 (Min)
Pour Point °c	-21°c Max
Total Base Number	6.00 – 7.50

VEEON 990V- 4T 10W40 API SN

Semi Synthetic

Automotive Oils – Hi Performance Engine Oil

Technical Data Sheet

VEEON 990V 4T 10W40 API SN

VEEON 990V 4T10W40 API SN ENGINE OIL is a Semi-synthetic motor oil that provides long engine life and protection against sludge & wear. It will help to keep engines running clean protecting in extreme conditions.

Features & Benefits:

VEEON 990V 4T10W40 API SN provides the following benefits:

- Optimized frictional properties which leads to provide balance engine performance & fuel economy
- Exceptional wear protection leads to extend the engine life
- Outstanding thermal and oxidation stability which provides Fluid film protection at all operating temperatures minimizing deposit formation especially at the high operating temperatures found in air-cooled engines
- Outstanding low temperature properties Excellent engine cleanliness &protection
- Effective protection from rust and corrosion which leads to provide Long life of critical valve train and bearing components

HI SAE 10W-40 API SN Meets the requirements of the following specifications:

- API:SN
- API SM/SL
- API SJ/CD SL/CF

Applications / Recommendations:

VEEON 990V 4T 10W40 API SN is a high quality engine oils are designed especially for latest technology Gasoline & Diesel Engine Oil.

Products Specification

Properties	VEEON 990V 4T 10W40 API SN
Appearance	Clear Fluid
Colour (Gardner)	2.50 Max
Flash Point (COC)	220°C (Minimum)
K. Viscosity @ 100 °C	13.50 – 15.50 cSt
Viscosity Index (Min)	150 (Min)
Pour Point °c	-21°c Max
Total Base Number	5.00 – 7.00

VEEON SUPER PLUS DIESEL CAR – 15W40 API CI4

Automotive Oils—High Performance Diesel Engine Oil

Technical Data Sheet

SAE VEEON SUPER PLUS DIESEL CAR 15W40 API CI4

SAE VEEON SUPER PLUS 15W40 API CI4 High Performance Multi-grade Diesel Engine Oils are high quality long drain lubricating oils, which allow for use in a mixed Fleet. Specially developed for use in all types of for high output normally-aspirated and supercharged diesel engines operating under very severe duty or which are subject to deposit formation or excessive wear. These oils are formulated from selected high Viscosity Index and Low Pour Point. These oils are treated with a large percentage of additives to impart superior detergency together with high dispersant, anti-oxidant, anti corrosion, anti-wear and anti-foam properties.

Features & Benefits:

SAE VEEON SUPER PLUS 15W40 API CI4 provides the following benefits:

- Reduced sludge build-up, deposits and viscosity increase
- Deposit control and acid neutralization
- Wear protection and viscosity control
- Cleaner engines and longer component life
- Improved viscosity control and used oil pump ability
- Start-up wear protection Longer gasket and seal life

SAE VEEON SUPER PLUS 15W40 API CI4 Meets the requirements of the following specification:

- API CH4 / CI4
- ACEA E7-12/MB 228.3/MAN 3275/VOLVO VDS-3
- Deutz III/MTU2.0/Mack EO-M+
- CES 20077/CES 20078
- Caterpillar ECF-1a/Caterpillar ECF-2
- Renault RLD-2/JASO DH-1
- Global DHD-1/DDC93K215

Applications / Recommendations:

SAE VEEON SUPER PLUS 15W40 API CI4 is a high quality multi grade engine oils are designed especially for latest technology.

Products Specification

Properties	SAE VEEON SUPER PLUS 15W40 API CI4
Appearance	Clear Fluid
Colour (Gardner)	3.50 Max
Flash Point (COC)	210°C (Minimum)
K. Viscosity @ 100 °C	13.50 – 15.50 cSt
Viscosity Index (Min)	115 (Min)
Pour Point °c	-21°c Max
Total Base Number	9.00 (Min)

VEEON ULTRA – 5W40 API SN Fully Synthetic

Automotive Oils—Performance Petrol & Diesel Engine Oil

Technical Data Sheet

SAE VEEON ULTRA 5W40 API SN Fully Synthetic

SAE VEEON ULTRA 5W40 API SN Fully Synthetic are high performance, multi grade engine oil based on synthetic base oil and fortified with special additive package to provide long oil life and better engine protection. SAE 5W40 API SN meets the latest industry standards.

Features & Benefits:

- SAE VEEON ULTRA 5W40 API SN Fully Synthetic provides the following benefits:
- Excellent engine cleanliness & protection
- Extended engine life and reduced maintenance
- Reduced fuel consumption
- Provides increased protection during tough driving conditions such as cold starts, stop-and-go traffic, hauling and towing Applications

SAE VEEON ULTRA 5W40 API SN Fully Synthetic Meets the requirements of the following specification:

- API:SN
- API SM/SL
- API SJ/CD SL/CF
- JASO MA2/MB(T903:2016)
- JASO MB2

Applications / Recommendations:

SAE VEEON ULTRA 5W40 API SN Fully Synthetic is a high quality multi grade engine oils are designed especially for latest technology Gasoline and Diesel engines

Products Specification

Properties	SAE VEEON ULTRA 5W40 API SN Fully Synthetic
Appearance	Clear Fluid
Colour (Gardner)	3.00 Max
Flash Point (COC)	220°C (Minimum)
K. Viscosity @ 100 °C	13.50 – 15.50 cSt
Viscosity Index (Min)	140 (Min)
Pour Point °c	-21°c Max
Total Base Number	6.00 – 7.50
